Under the 14th Medium-Term Management Plan, we have established as a target of dividend whichever is higher of the two amounts calculated based on dividend ratio of 50% or dividend on equity (DOE) ratio of 4.0%.

In keeping with this policy and performance this fiscal year, we are planning to offer a year-end dividend of 39 yen per share. As a result, we plan to pay an annual dividend for FY2024 of 67 yen per share including the interim dividend paid in December 2024.
